

Ahniin/Boozhoo,
Waasnode Kwe(Northern Lights Women),
My English name is Maureen Kagagins

Chi Meegwetch miinwaa James Solomon and Rachel Kagagins for nominating me. It's been a honour and pleasure being your Councillor in our community of Chitiigaaning/Henvey Inlet. It's that time of the year for our communities election, many of you have received your ballots in the mail. I've had the outmost learning experience being in the community as your Councillor. Everyday is a learning experience for each and everyone of us. I'm proud to say that I'm learning more also with our adopted boy Northern Breeze Wickamakis and my 3 lovely granddaughters, Felicity, Cartia and Scholar Ashawasegai. This past year with Covid hitting many of our families, we had to endure a lot of loss too. Prayers always go out to them.

We have had many new developments in the community of Henvey Inlet, our community members in and out of Henvey have seen the progress and moving forward. I want to take this time to say Re-Elect myself Maureen Kagagins to sit as one of your leaders in our community of Chitiigaaging/Henvey Inlet.
