RE : Land Laws tabled by for the Henvey Inlet Wind Energy Generation Centre

This booklet contains the Land Laws tabled by Council for the Henvey Inlet Wind Energy Generation Centre, which is proposed for Henvey Inlet Reserve No. 2 lands. The meetings will be held:

- Community Input Meeting: Sunday 02 August 2015, at the Firehall, starting at 10:00 AM

Please bring this booklet with you to the meetings. As members of your band council, we are greatly looking forward to the opportunity to discuss the project and the land laws which are required to establish it, and to finalize the vote on the lease which will determine whether the project can go ahead.

If you have any questions about the meetings or the enclosed documentation, please do not hesitate to contact me or Lands Councillor Pat Brennan.
