

## THE ENERGY CORRIDOR FIRST NATIONS

# LOGO ARTWORK COMPETITION

The Energy Corridor First Nations (ECFN) is a consortium of 11 Ontario First Nations which have united to build, own and operate major electrical transmission infrastructure in our treaty and traditional lands.

ECFN is hosting an open call for First Nation artists across Canada to submit two-dimensional art pieces for a chance to win in up to three categories: First Place – \$1,000, Second Place – \$500, and Third Place – \$100.

**Artwork Concept:** ECFN needs a unifying logo. We are seeking artwork which embodies some of the following concepts: economic reconciliation, First Nations sovereignty and unity, opportunities for future generations, prosperity, traditional knowledge, land stewardship and electrical transmission infrastructure.

**Who can enter the contest:** Self-identifying First Nation artists from across Canada are invited to submit a two-dimensional original piece of art to ECFN either in high-quality electronic format or in hardcopy. Artists may submit multiple entries.

**How to submit:** Please download the **entry form** and send in along with your artwork to:

**Submission Deadline: 31 March 2026.**

**Selection process:** The Selection Committee will review submissions and advise successful artists of selection no later than Thursday 23 April 2025. NOTE: Prizes in each category will be awarded only if the Selection Committee decides that artwork suitable for use by ECFN has been received.

**Copyright release:** By submitting their work, artists agree to grant to the ECFN an exclusive, royalty-free license to use the submitted work if it is selected for promotional purposes across all communication channels, including digital and print publications, and on social media platforms. Artists retain ownership of moral rights in their work: ECFN will not modify the selected work without the artist's prior, written consent and will acknowledge the artist on the ECFN website. Submission of artwork does not entitle the artist to financial compensation: the prize money offered for the winning entries is the only compensation. Artists whose work is selected may be commissioned to create a
