Henvey Inlet Christmas Booklet 2021

*After the past two years, 2020 and 2021
I think we deserve to be able to lift a glass of
Christmas cheer and tell ourselves good job.
It's far from being done but it sounds like
an excellent idea anyway.*

*The Chief and Council have accomplished
many things over this period of time. The
new gas bar, new maintenance and storage
building, marina and docking slips, new
transfer station.*

*Pickrel River Road is a very large project
which began in late August 2021 and should
continue through the year of 2022.*

Transfer Station being completed

New Transfer Station
the transfer station is located

behind the storage & maintenance
building...

*Two New Homes being Built on
Pickerel Rd., this is # 1.*

New Transfer Station...

*The second new home being built, just the
other side of the railway tracks.*

***Location of the New Hill
For Sliding, next to maintenance and
storage.***

New hill being made for sliding.

*Shots of work still being done
the finished photos and the story
for some of the work should be*

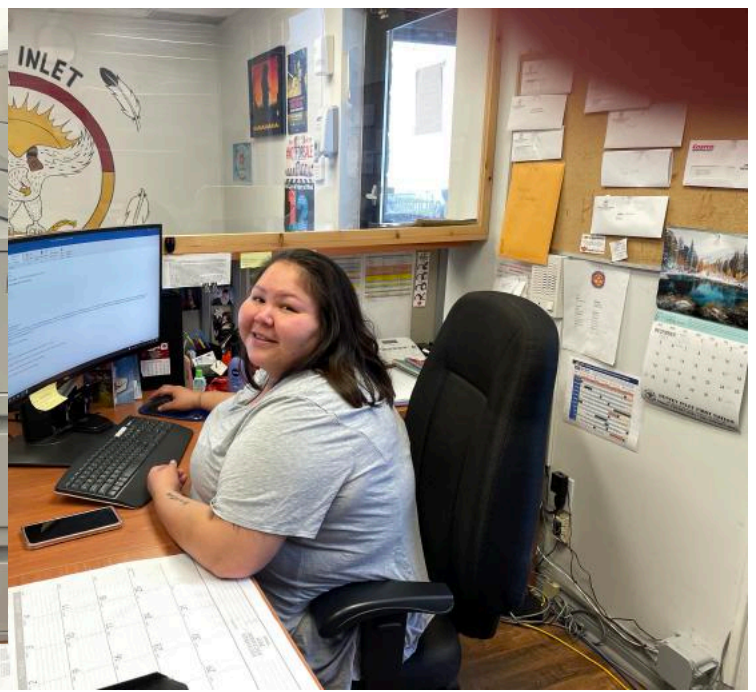

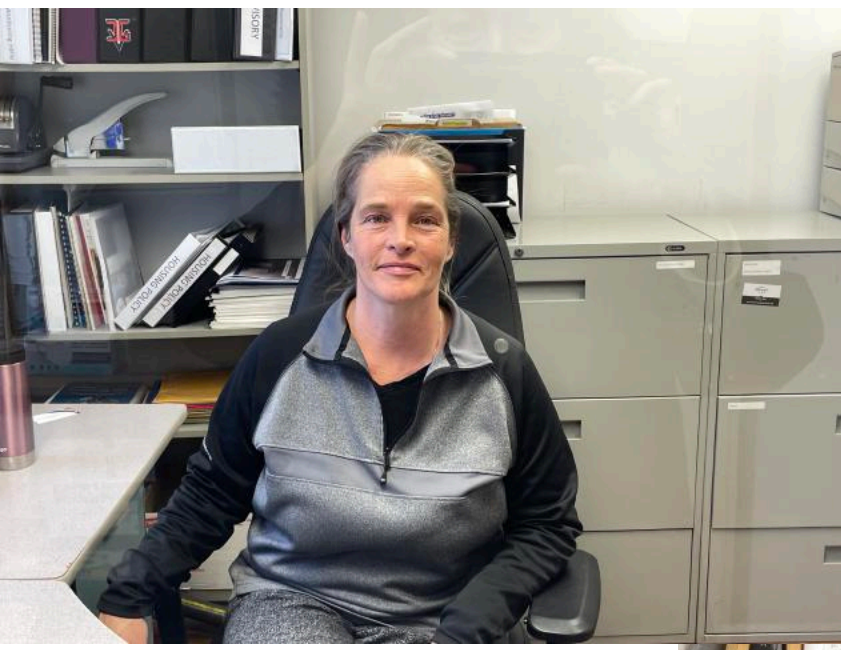

completed for our next booklet.

*Merry Christmas and Happy New Years
from the Staff at Henvey Inlet...*

See You Soon...
