- c. the report of Savanta Inc., in its capacity as 3rd party expert, dated 25 February 2016;
- d. the legal opinion of Gowling WLG (Canada) Inc., dated 28 February 2016, providing that the steps required by Land Law 20115/16-009 to be completed prior to Council's approval of the Final Environmental Assessment Report have been completed, except those steps requiring Council to make certain determinations prior to acceptance, all of which are dealt with in this Band Council Resolution; and
- e. The report of the Lands Advisory Committee, in the form of a presentation slide deck delivered to Council on 28 February 2016.
- 2. Council is not aware of any defect or irregularity in the tabling, giving of notice, community consultation, Community Input or review of the Final EA Report that is material to assessing the significant of adverse environmental effects of the HIW Wind Energy Centre proposed for Reserve No. 2 lands, and hereby waives any defects or irregularities that are within its power to waive.
- 3. Council hereby accepts the attached technical review report prepared by Arcadis Canada dated 25 February 2016, and the technical review report prepared by Savanta Inc. dated 25 February 2016, copies of which are attached hereto.
