

HENVEY INLET

I am deeply honored to be nominated for the position of Councilor for my community of Henvey Inlet First Nation. Also I am grateful for the opportunity to represent all the members of Henvey Inlet.

Our Community has come a long way in all areas that it takes to help run the community, I am very proud of my community, Henvey Inlet First Nation.

Each and everyone of us that are employed for Henvey Inlet First Nation are here to work and help all members. All the workers deserve to be appreciated for their dedication. We are all fortunate to do work that really matters.

Recently I've attended Henvey's youth group to celebrate and show support and I was amazed at the hard work that was put forth. As I watched the youths new music video, I was filled with pride as they are our future.

Most of all that I am thankful for all the gifts that our Creator has bestowed upon us and our community. To listen and respect people is of importance to me, Diversity and continued growth for our community is paramount.

I am proud of my heritage and ability to speak Ojibway. I look forward to work to make Henvey an even better place in all areas.
