GOALS

It is important for me to make moral and ethical decisions when situations arise.

I want to support individuals that are looking to become entrepreneurs and self-sufficient.

I encourage openness and honesty and, rely on Community feedback to make decisions that will impact all of us.

I want to create more sustainable businesses for our Community so that we may continue to move away from relying on outsourced funding.

I want to create equal employment opportunities for our members.

"Don't downgrade
your dream just to fit
your reality. Upgrade
your conviction to
match your destiny."

ABOUT ME

Born and raised in Henvey Inlet. I worked for 15 years as the Public Works Supervisor in the Community. I have since become President/CEO of Nigig Power Corporation. I have recently become owner of a small business in Sudbury which has given me the opportunity to employ some of our Band Members from Henvey. I have worked hard to give back to the Community in which I was raised, to ensure a secure future for our children.
