My name is Megan Bradley and I am a 35-year-old mother, daughter, sister, wife & Auntie. I reside locally off-reserve on a farm in the country, where my family and I raise a variety of animals. I hold a designation in Supply Chain Logistics and a bookkeeping certificate from Conestoga College.

I have been working for our First Nation in the finance department at the band office since 2019.

2023  
MEGAN BRADLEY**

**Announcement**

I am proud and excited to announce my candidacy for a seat on Henvey's council this 2023 election. I believe now is an important time for our membership to come out and vote. We need to hear from you in order to ensure you are being fairly represented. I would love the opportunity to collaborate with the council, membership and our allies to work towards our common goals of a prosperous future, reconciliation and unity.

**I am open to engaging in constructive discussions and am available if you have any questions. Please feel free to email me any time.**

**Community**

My family, like many of yours, has been stripped of our language and culture and I want to work to change that. I am very grateful for the recent opportunities I've had, being in the community, to begin learning our language and participating in ceremonies. Miigwetch to the staff of Henvey Inlet for always hosting these workshops and events. I truly believe in the power of community; as a farmer and as a parent, we know it takes a village. One person cannot bring change alone, but together we will!
