### **EXPERIENCE:**

Working for a Civil Engineering Firm in Toronto for 15 years with a staff of 14 as Administrative Management I have the ability to produce solutions in this domain.

While working in our Lands Department as Lands Assistant I was involved in negotiations on Land Leases, assisted in capital planning review and collaborated with the Ministry of Health for our district in maintaining Provincial Standards relating to recreational and residential property.

The Committee's I have been part of for Henvey Inlet First Nation within the past 10 years are:

Land Code ; contacting off reserve members to explain the benefits of becoming under the Land Code and ensuring the people's concerns were responded to correctly.

(Hence the fruition of our WindFarm)

Lands Advisory Committee (LAC) : this was the first committee to be formed after the ratification of our Land Code. (dealing with all areas of Land Laws).

As a past Councilor I have experience in Governance.

### **EDUCATION:**
