I am the daughter of my late father Kenneth Russell David (John) McQuabbie, and my mother Muriel Jane King.

I have 3 grown children Julie, Stewart, Alexandra, and 3 precious grandchildren. And a fourth grandchild on the way.

At home I have been blessed to raise 3 more children Justina, Angel and Richard. These 3 are my great nieces and nephew and have been a wonderful addition to our family. They call me Mom.

Since I moved home in 2007, I settled in the main part of our reserve known as French River Indian Reserve No. 13 where I currently reside.

Over the years I have been an active member and spearheaded many events held in the community.

## GREETINGS HIFN MEMBERSHIP

Its been a pleasure to be a part of our community and band membership.

I am a hard working, ambitious, dedicated individual who is passionate about my work and what I believe in.

I am also an open minded person who is supportive and compassionate about the concerns of all individuals.

As your band Councillor, I do believe in fairness and equality. And everyone should be treated with respect and dignity and have their voices heard without judgement.

Communication is greatly important and your voice is imperative when it comes to decision making at the Council level. I would like to see greater improvements in the area of communication to all of the membership.

When I first moved on-reserve in 2007 I worked with the Elders, and got to know my own family, and community members.

I come from being raised with a good work ethic, kindness, sharing, caring and respect.

This really shines through in my work and involvement with others.

I have put together many memorable events over the years and have worked hard behind the scenes to give what I feel our people and community deserve. The absolute best.

Currently, my work involves family lineage, history, genealogy, cemetery restoration and Elder interviews. Lots of research. Community spirit is what its all about.

In order for one to know where one is going, one must know where one comes from!

I am thankful to many people for my successes of the past to present day. Especially the Elders, they have guided and shaped my positive role here in the community and with the band membership. Thank you!

It would be a pleasure to represent and serve all of our people as a Band Councillor in the near future.

On election day please make your vote count.

“I aim to serve and represent all the people of our First Nation to the very best of my ability.”
