

MANDIE ROME

about me

My name is **Mandie Rome** and I am 27 years old. I currently live in Sudbury and work full-time as a teacher with the Rainbow District School Board. I enjoy reading, the outdoors and spending time with my family.

my education

I currently have a Bachelor of Education Degree from Laurentian University with additional qualifications on First Nations, Metis and Inuit Studies including Special Education. I also have my Early Childhood Education Diploma from Cambrian College.

my goals

I feel it is important to give back to your community and I would love the opportunity to help create a positive change. I would stress the importance of education and the value that it brings. Henvey Inlet First Nation has helped me achieve my goals and I would love the chance to help others achieve theirs.

“Education is a universal human right, essential to bridging gaps in human well-being, equity and opportunity.”
